Montgomery County Community College

Associate of Arts — Liberal Arts

WORK EXPERIENCE

SNAP Photography

Photographer & Photography Assistant

- Photograph clients across a range of sessions including portraits, events, and commercial assignments.
- Assist lead photographers with lighting setup, equipment management, and on-site coordination.
- Edit and retouch images using industry-standard software to deliver polished, client-ready deliverables.

Excel Document Solutions

Copier Technician

- Repaired, refurbished, and operated Ricoh, HP, Kyocera, and Canon copiers, printers, and wide-format machines across multiple customer locations.
- Diagnosed advanced mechanical issues, rebuilt units, maintained service logs and parts inventory, and prepared new machines for delivery.

The UPS Store

Store Associate

- Delivered exceptional customer service through telephone and in-store interactions; advised customers on shipping and printing solutions.
- Operated professional-grade printers, copiers, fax machines, binding and laminating equipment, and POS systems.
- Trained and mentored staff; managed daily cash reports, deposits, and accounts receivable reconciliations.
